NASA, USDA to collaborate on agriculture research

NASA Administrator Sean O'Keefe and Department of Agriculture Secretary Ann M. Veneman signed a Memorandum of Understanding on Friday. The agreement covers a series of programs to help protect the environment and enhance American agriculture. It allows the use of NASA capabilities in monitoring, mapping, modeling and systems engineering to enhance the Agriculture Department's ability to predict climate, weather and natural hazards. For more information, go to <http://www.nasa.gov>.

Business Warehouse 'Open House', 1-3 p.m., Tuesdays, Wednesdays, Thursdays, June, Bldg. 4200, Room 600. For Details, 'Inside Marshall'

Thrift Savings Plan open season closes June 30. Details 'Inside Marshall'

Joint Propulsion Conference registration open

A Joint Propulsion Conference will be July 20-23 at the Von Braun Center in Huntsville. Marshall and NASA civil servants can get a registration discount. To register, go to <http://www.aiaa.org/events/jpc-nasa-marshall>. Registration includes conference sessions and exhibits. Participants also need to complete MSFC Form 1265, attach their conference registration form from the Web site, and send the package to EODD/CD20. Deadline for registration is July 1. For more information, call Chris Robinson at 544-1422.
